

EN LED Work Light User Guide

Thanks for choosing Lighting EVER, please read this user guide carefully before the installation and keep it for future reference.

How to use

1. Please check the product carefully prior to usage.
2. Press the switch to turn on/off the light and to choose the lighting modes.
3. Use the included micro USB cable and a suitable USB charger to recharge the battery.
4. The indicator A shines red while charging, the indicator B will turn green if it's fully charged. The indicator C will shine red when it charges other mobile devices.
5. The bracket of the light is 180 degree rotatable.

Specifications

SKU: 3300020

LED Power: 20W

Battery Type: 3.7V Lithium-ion Battery

Battery Capacity: 6000mAh (3x 2000mAh)

Lighting Modes: Full Brightness, Low Brightness, Red Flashing Light

Battery Life: 4 hrs. (Full Brightness), 7-8 hrs. (Low Brightness)

Input & Output Voltage/Current: DC 5V 1A

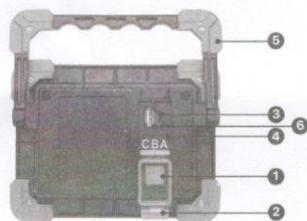

Water Resistance Rating: IP44

Material: Aluminum + ABS + PC

Dimensions: 6.81x5.20x1.77inch / 173x132x45mm

Weight: 18.66oz / 529g
